Our Vision

Unlocking human potential by bringing seamless, wholesome living to life.

Our Mission

To create enduring value through curating experiential living. We strive to transform urban lifestyles by empowering people to actualize and experience their lives more meaningfully.

Our Philosophy

Protect

We never lose sight of our responsibilities towards our partners, employees and the society around us.

Create

These words lie at the heart of TARC enabling us to stay committed to being the enablers of change.

Nurture

As we grow and achieve greater success, humility and compassion keeps us grounded.

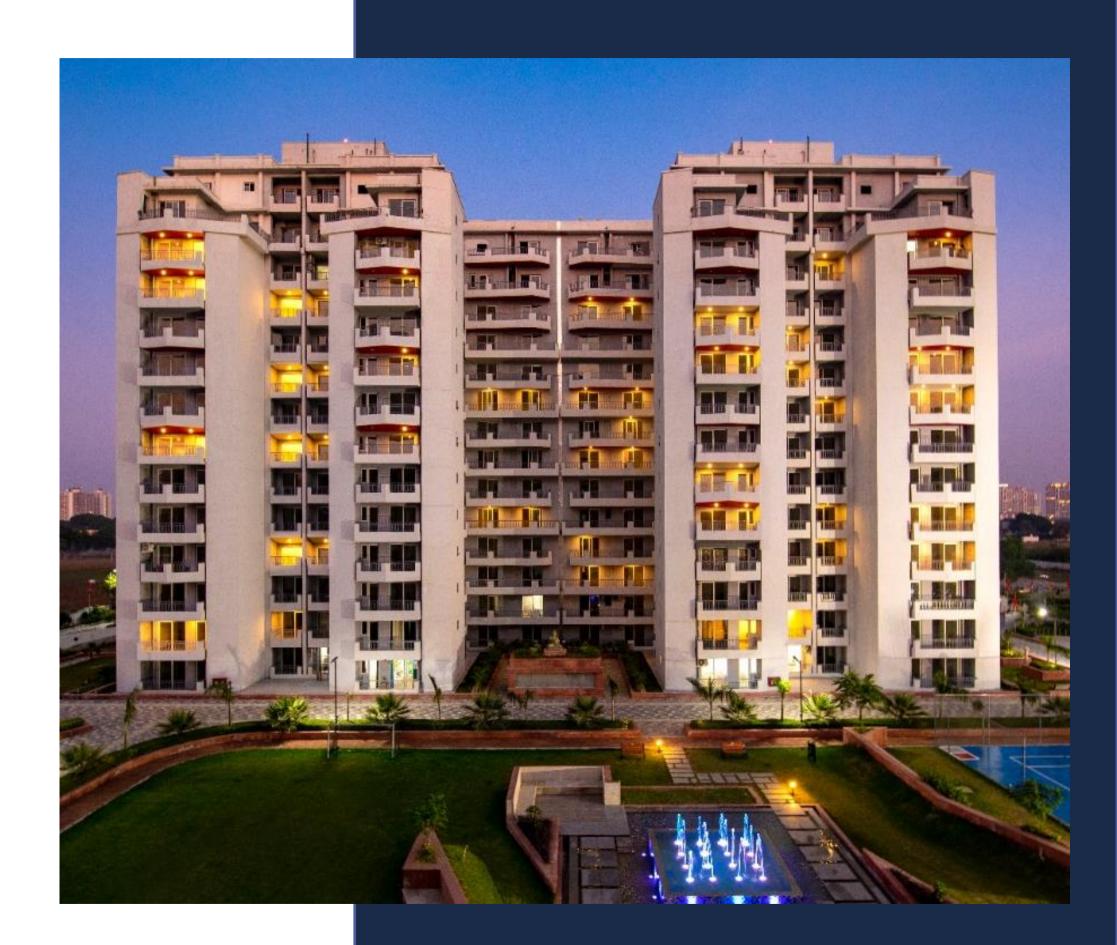

Our Approach

At TARC Ltd, we are passionate about creating beautiful homes, harmonious workspaces and welcoming lifestyle hubs.

We are invested in our journey of co-creating the future with our consumers so that they can explore and engage with life more meaningfully. We stay true to our purpose of curating living spaces for the health and happiness of communities. This means designing an ecosystem where relationships are nurtured and enhanced. We have built our culture and capabilities around continuously evolving consumer tastes and aspirations.

It is here, through our unwavering commitment, that we are able to bring boundless urban living to life.

Business Model

The business of TARC Limited under the leadership of Mr Anil Sarin has evolved over the last 40 years starting out as a Construction Company and evolving to become one of the largest Real Estate Development Company and land bank holders in the National Capital.

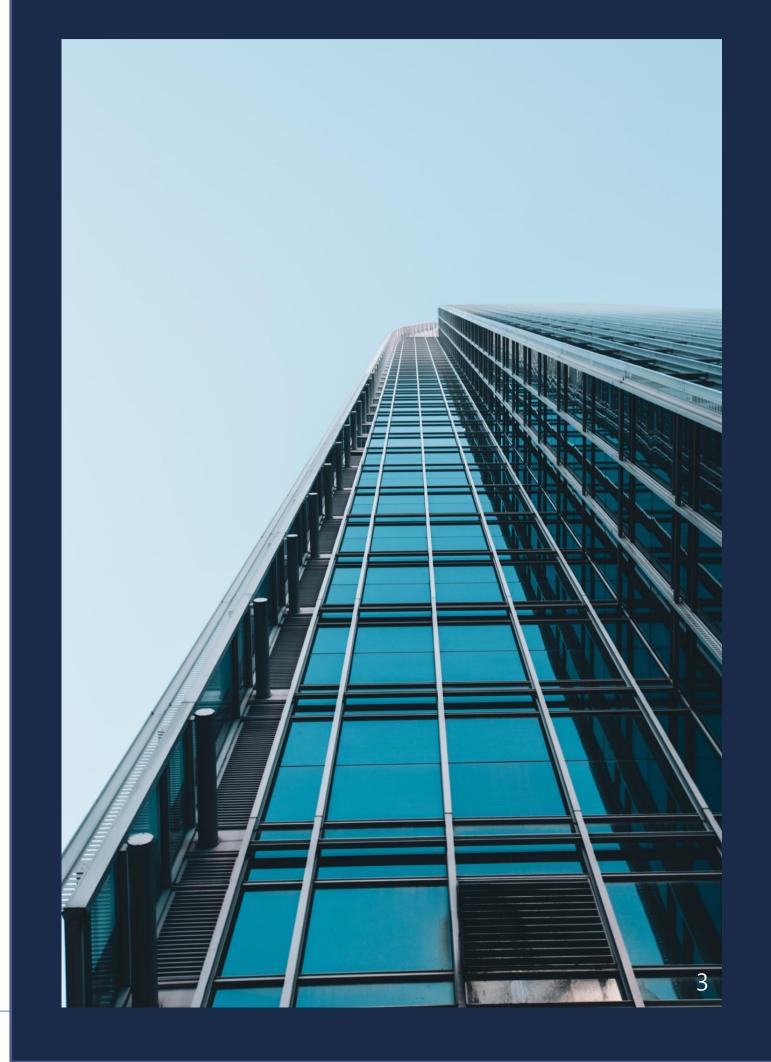

TARC Limited, over the years has accumulated a land bank of more than 550 prime acres which is wholly owned and paid for. The acquisitions were typically made in the National Capital where tremendous growth prospects were foreseen. This has helped TARC develop a matrix where significant part of its land acquisitions have today become marquee assets with substantive growth opportunities.

The Company has prime land parcels and built-up assets inside the Municipal limits of New Delhi which alone constitutes to be over 300 acres of fully paid-up land. Additionally, the Company has land parcels in Gurgaon and other areas in the National Capital Region such as Manesar, Noida and Greater Noida where the Company's land holdings exceeds 250 acres of prime land.

TARC expanded its presence in the National Capital through key Developments across different verticals such as **Residential, Hospitality, Commercial and Retail** projects. TARC's focus remains in **Residential development** to create and curate future ready living spaces while warehousing is another important vertical of focus for the company.

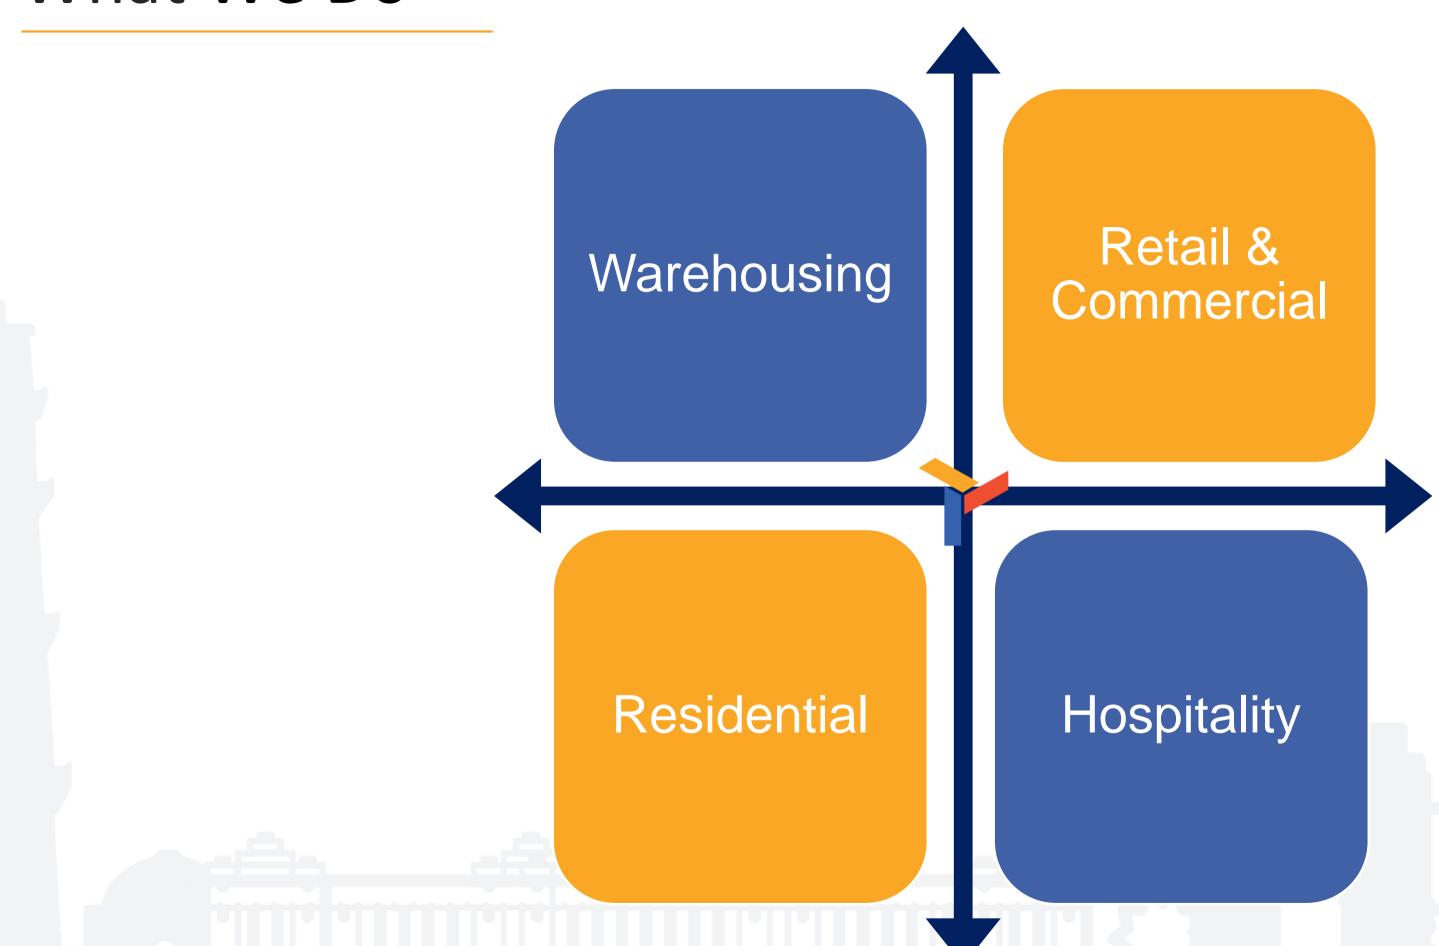

TARC pursues a rewarding Business Model by creating enduring value through curating experiential living.

What We Do

Experiential Living

The principles of customer centricity define our approach in creating residences that celebrate life each day. We are passionate about our work and in curating an ecosystem that encourages and inspires people to engage with life more meaningfully.

Lifestyle Hubs

Our customers' evolving tastes, preferences, lifestyles and dreams have motivated us to craft design-led spaces that inspire creativity, fun and a convivial spirit amongst them. Led by design, we strive continuously to create dynamic environments for zestful living.

Industrial Parks

Our Strategically consolidated land bank of Industrial Parks is designed to become a state-of-the-art Industry and Logistics Hub for the automotive segment.

Our Leadership Team

We have a highly accomplished group of experienced individuals who come together to lead by example.

Driven by ambition yet grounded by compassion, they bring their matchless expertise to show us the way forward towards discovering a new way of looking at urban living in India.

Mr. Anil Sarin
Chairman

Anil Sarin founded the business over four decades ago. Under his leadership, the company grew to become one of the largest real estate development companies and land bank holders in the New Delhi Metropolitan Area. Through the years, he has assiduously built a team of experienced professionals and a corporate culture that are TARC's greatest competencies.

Mr. Amar Sarin
Managing Director & CEO

Amar is responsible for the overall leadership and strategic direction of TARC. He has vast exposure to and a deep understanding of different cultures, people, infrastructure and urban spaces.

This inspires him to create high quality developments which nurture strong communities.

Rajeev Trehan

Chief Operating Officer

Rajeev excels in building collaborative teams of highly motivated individuals. Thanks to his domain expertise built over the last 30 years with us, he exceeds expectations when it comes to executing projects especially large real estate projects across different verticals.

Anil has 30 years of work experience and has been associated with the group for over 18 years now. His main interest and expertise are in the field of land laws. This includes various topics such as legal and land compliance, due diligence, technical diligence related to land acquisition.

Chief Land Officer

Aarti Arora
Chief Financial Officer

Aarti Arora is a Chartered Accountant with more than two decades of experience. She is well-versed in finance and accounts as well as project implementations, among others.

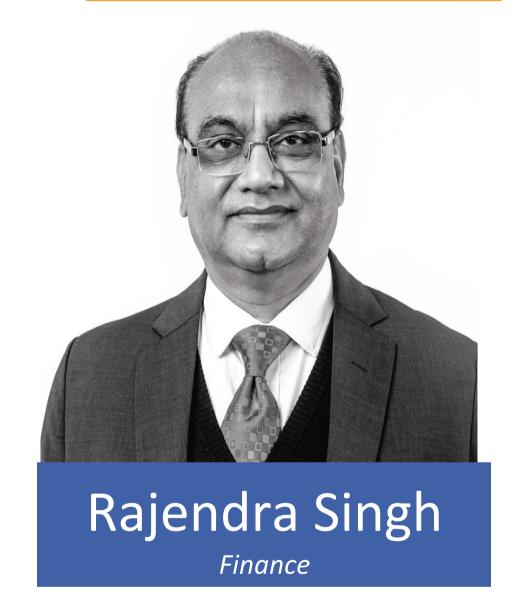

Amit is a commerce graduate and a member of the Institute of Company Secretaries of India (ICSI). He has more than 14 years' experience in Corporate Laws and Secretarial Compliances. His expertise makes him an indispensable part of our growth story

CS & Compliance Officer

Chartered Accountant by profession, has experience in corporate finance and business modelling in various national and international assignments. His core expertise has been in drawing financial strategy for businesses. He has been associated with us for 30 years.

An industry veteran with 26 years of experience, he handles the projects department. Working with other engineers in the team, he is responsible for approving designs, calculating costs, negotiating contracts, and executing plans - safely and efficiently.

Tarun Sejwal

Architecture & Innovation

Tarun has over 18 years of experience and has been associated with design management and coordination with a special focus on contract and project management. He has worked on projects from corporate interiors, retail, recreational, group housings and senior living.

Muskaan is responsible for marketing and drives the customer-centric culture across the organization. She leads in developing customer research, branding strategy, communication and innovation.

Recent Developments

TARC Limited sells part of its warehousing asset to Blackstone Inc. (BREP) for Rs. 295 crores

TARC Limited successfully completed the sale of its warehousing asset in North Delhi to BREP Asia II EIP Holding (NQ) Pte. Limited, an affiliate of funds controlled, managed and/or advised by **Blackstone Inc. (BREP)** for a total consideration of Rs. 295 crores, in a move which is aligned to TARC's strategy of maintaining focus on core development projects to unlock much higher value through its strategic and key land parcels in New Delhi.

Mr. Amar Sarin, CEO & MD of TARC Limited has said that the company's mantra of creating a high quality asset base, while leading with integrity and transparency, has been rewarded with the confidence and trust placed in TARC by Blackstone Inc. (BREP), an international fund. This is in line with making TARC a debt free company, develop its huge land bank as well as look for new developments in the NDMA.

The company plans to use a part of the proceeds to fast track the residential projects, consolidating its strategy to develop higher yielding, future ready projects.
